"This is an application only, and not a warranty. The submission of the information on this application shall not be deemed to create a warranty or any obligation by Lorin, including any warranty for fitness for particular purpose, which is expressly disclaimed. In submitting this application, the applicant represents and warrants that the statements herein are true and accurate, and that errors or omissions will void any warranty that might be given. If any warranty is issued by Lorin, it shall remain subject to the terms, exclusions, and limitations of that Warranty. No warranty shall be deemed to have been given until issued in writing, hand-signed, by an authorized officer of Lorin (as defined in the Warranty). By submitting this application, the applicant agrees to Lorin's Terms and Conditions of Sale and any Warranty provided by Lorin."
